The subjoined communication from the Officialing Superintendent of the Government Telegraph, Bengul Circle, is published for general information, F. W. MITCHELL. Postmaster General.

General Post Office Houging, oth August, 1863 CALCUTTA, 14th July, 1865. "Guvernment having sanctioned the closing of the Redgeree Talegraph Office to which Office many Telegrams are "forwarded from Chinafordespatch." I request the favour of your besting a Notice to

It is hereby notified for general information For particulars apply to the Captain on Board Mail Steamer for Valencia and by Railroad to (Mauritius) to Table Bay (Cape of Good Hope) culling at Natal, immediately after the arrival Cargo and Specie will be registered for London of the Packet from Suez and Aden, that is, about as well as for Marseilles, and occepted in transit | the 25th of each quark, and will return to Port through Marseilles for the principal places of Louis in time for the Packet appointed to leave for Aden and Suez on the 6th of each month. The Company has authority to grant Insuranue | The establishment of this branch Packet will on all Cargo conveyed by its Vessels, at a pre- afford the means of exchanging, via Aden and minim of 17 % upon Merchanding and 1 % on Mauritius, direct Mails between this Office and Treasure, from Hongkong to Lyons, Paris, Landon, 1 the Post Offices of Natal and the Cape of Good cargo, which will be raken at (\$8) Sight dellars, United Kingdom as a nactul and identate wash

The postage to may of the above mentioned

Postmaster General. General Post Office, Hogkong, 11th February, 1885.

The state of the s

meetions of this nature. The despatch of the same date to Sir F. Bruce embodies the proviso kugues od by M. Dronyn de Linve in addition to that e needing "for the last-

comments on this point

time " to Confederate ergisers the benefit of the twenty-four hours' rule. Under this proving the captains of Confederate cruisers were to be allowed the origin of disarming them within one month, and were even to be admitted for this purpose to British ports. They were however, to be distinctly apprized that they would remain in British waters "at their awn risk in all respects," and must expect no protection, "except such as they might be entitled to in the ordinary course of the admini tration of the law in time of peace! The meaning of this last expression is not very brious at first sight, but it was doubtless intended to leave open the question, mentioned in the depatch to Lard Cowley, as to the validity of a tradisfer effected under such efreumstances. Mr. Soward in acknowledging the declaration of her Majesty's Government with respect to the withsearch, and "freely admits that the normal rela- on baskilful hand would soon have made an end of as it was the means of preventing a recognition of the South by France. The sat two remonstenners of Mr. Seward deserve more attention. He insists that "all insurgent or piratical vessels" tered them before or after the new brders came. He therefore protests byainst both there retvatious in their favour and adds, that so long as the public ressels of Great Britain." As we are at peace with all the world, and no British shin of war can have any designs upon any other vessels." he refusing our ships the honour of a salute in American harbours. It is to be hoped that diffe- with antimony. But he did not go back to see rences so trifling will not disturb the friendly re- her, "because she was not his patient." He had Intions between the two Governments. There is, nothing to do with her. It was not his duty to do indeed, something to be said for Mr. Seward's arcoment against the twenty-four hours rule; while, man, and in the case of a consultation the consul on the other hand, we should not despair of con-tant has no right to go back. However, in spite vincing him that the accommodor of such perverted scrupulosity. Dr. Paterson haprate craisers in English cores, subject to any legal pily did not think it unprofessional to speak the claim upon them, is favourable to the interests of the United States. It is right that we should nek that both then and now he believed that Mrs. ourselves with whom we contracted an obligation Taylor and Mrs. Pritchard died of poison, His of honour when we allowed these ornisers, under costain conditions. In seck shelter in our ports, most harrowing that were ever given in a court Not mirely, with the individual enminanders, but of justice. All this evidence pointed one way, and with the helligerent Power of which they were that was towards Dr. Pritchard. He slow had the commissioned officers. Now, if this be so, it an interest in the death of two women, he alone is a fair question, whether their privalezed cha-

saving the American mary the trouble of hunting him down. He gampet, however, convey to ancther a better title than he himself possesses, and it is quite possible that a Court of Law might affirm a counter claim on the part of the United States. We observe that the Law Officers of the Crown have already approved a decision of me | Traces, Preroses & Co. New York Prize Court to this effect. in the case of a vessel once in the service of the Confederate States, but transferred, during the continuance of the war, to a bona fiel neutral, and devested of a warlike character. It does not follow that a like doctrine would apply to a ship phrchased after the termination of war and claimed by the United States before a civil tribunal, but the advantage of the doubt is entirely on the side of the American Universiment. Times.

a fair question, but it is Lardly a practical ques-

tion. for it is highly loiprobable that any Confe-

derate captain should take the chance of being

treated as a pirate, as he would thenceforth be in

the estimation of all civilized netions. What is

for more likely is that any one who may have been

roving the seas will have put into the nearest

state of legitimate warfare. This, we repeat, is at Times.

The Scotch Poisoning Case, Since Palmer watched the dring agonies of his Pritchard has just been convicted at Edinburgh. Feet. -total measurement 30,720 feet. Such offences are apt to fill society with vague | For Particulars, apply to this Office.

of murder, when the victime are helpless comen. members of the murderer's own family, the deed is especially infamous; and when, moreover, he who committe it is a medical man who pretends to re-

an interview with Lard Cowley on May 31 M. have been taken in repeated dozen the aggregate versals as oright still had themselves in French or that the contents of the intestines, the splan, the British parts mamely that they might be disarm- I heart, the blood, and the kidners contained mered or fold, I Lord Cowley took exception to this learn; that the presence of antimony and niercury could not be sold on behalf of any other party, not be the shadow of a doubt that Mrs. Pritchard Lord Russell, in a despatch dated June 2, thus died from the effects of poison administered in comparatively small does over a considerable period

"I am advised by the Law Officers of the Grown of time. The evidence in the case of Mrs. Taylor that it is a correct proposition of law, that if, upon is similar. These are two reports by different the complete cessation of hostilities; any enips men. These concer in stating that antimony and which at the time of such cessition were the pro- mercury were found in the body, and the conclusion perty of the Confederate Government, and have is that Mrs. Taylor, like Mrs. Pritchard, fied, from not been lawfully transferred to any other owner, slow poistning. Since, then, it is established that are found within her Majesty's territories, such these two persons were poisoned, the question shirk may be claimed as public property by the simple is, who did it ? Suigide is, of course, ont Government of the United States. But every such, of the question, and the victims must therefore claim. If made and resisted by any counter. have perished through the crime of some one who claiment, must be decided in the ordinary course lived with them in the house. Now, of the two of law by the civil tribunals. Each such case cooks who gave syldence one had been there domay depend upon mixed questions of law and fast ring the former part of the illness of Mrs. Pritchard; and it is not necessary, nor would it be expedient and the other during, the latter part. It consefor her Vojesty's Chreamment, in any of their quently could be neither of these. The matter public nets, to refer to the possible accurrence of in short, lies between Or. Pritchard and Mary M'Lead, the housemaid, a young girl in her seventeeth year, with whom the Doctor had formed an improper connexion, and whom his counsel, in a defence on which we need not comment, sough to be with the guilt of the murder. However desparate may bave book Dr. Pritchard's engo, wo are surprised that his counsel should have been instructed to take this line. The notion that a young and ignorant girl should poison two women by slow dagrees and with a skill which kent one at least of them alive for weeks, an as to give the appearance of a natural death, is one which cannot be accepted by any person of sense. If even orime, inasmuch as she may have believed that Dr. Pritchard, would marry ber when his wife died, is impossible to believe that she would of her own

it be granted that the girl had some motive for the device have carried out such a scheme of artistic marder, Mrs. Peltohard's illness was such as might have been imagined by the nuther of some herrible romance. She was ill for a day or two together. then came a respite, then again the symptoms returned. We know by the medical evidence that drawd of belligerent rights from the Confederates, there symptoms were caused by the administration and at present in the occupation of Messre abandons the correlative right of visitation and in small dozes of very powerful passes; by which ELMMNOUST and Sandan. tions between the two countries are practically its victim. It is remanable to conclude then, restored to the condition in which they stond be- that the girl was not the poisoner, and, if it be so, fore the civil war." He fastens, however, on four there is no one but Dr. Pritabard who could have things in Lord Russell's despatch which he des- committed the prime. The suspicious of his uncribes as "sources of regret." One is the assump- happy wifenprear to have been aroused some time tion that the original concession of beligarent before her death but she had not energy to resist privileges to the rebels by Great Britain was either the man who was destroying her. It is difficult necessary or just, or sanctioned by the law of an- to understand how the unhappy lady could have time. In this it is a conclusive reply that they failed to comect her ill-health with the presence were first conceded by the United States, whose of her bushand. Whenever he was away for a own title to belligerent rights must stand or fall few days she was better, but as soon as he returnwith that of their enemies. Another is the alla- ed the sickness recommonand. She was ill contision to "a mutual engagement by Great Britain mostly afterwards, and the articles of food which with France that those two Powers would not in were prophred expressly for her wive those which 'Calbot' & Co. concers in regard to the said insurrection." How usually brought on the unfavourable symptoms: this one justly be regarded as "an unfriendly pro- The evidence of the three servants makes it softecceing we are at a loss to understand, esp cially clear that the prisoner, having probably studied the details of former cases of poisoning conceived the idea of destroying his wife so gradually and naturally that even the neighbouring doctors whom he called in should be unable to found in British parts or waters, who her they en- detect anything wrong, life seems, however, for some reason of his own, or perhaps through neginto operation; are oriented to the United States. Brence, to bave much more basty work with Mrs. and may lawfully be captured on the high seas. Taylor. That poor woman had indeed, got the same complaint as her daugh er, " but, more fortunate, the was kille? outright, instead of being twenty-four frages' date shall be enforced by us, made to linger in misery for weeks to come.
